

Together Club

Thursday, Feb. 22 6:30 pm -8:00 pm

Together Club offers a class for ages 4 through grade 2 and a class for grades 3-5. The children rotate between Bible stories, crafts, and games. Middle school and high school youth take part in a separate activity, led by Jack and Tina Glover. There is also a nursery for children three or under.

This session of Together Club continues the theme of "Jesus Changes Us" by studying how Peter denied knowing Jesus three times after his arrest but later became one of the most important figures in the early church.
