

We will be worshipping indoors beginning this Sunday, October 4. Note that we will go back to our old worship time of **9:45**. An adult Sunday school class by Zoom will be moved to **11:15**. We are practicing social distancing and strongly encourage everyone who is able to wear a mask. If you desire more distance you may sit in the rooms at the back of the sanctuary, or the youth classroom to the left, or go up to the balcony. We hope to see you soon.
