

Together Club

Thursday, Nov. 29 6:30 pm-8:00 pm

Together Club concludes this evening with a session on "I Can be Thankful". Junior and senior high youth will continue to study how Christians practice their faith. The sessions begin with snacks and then children's and youth activities.

We hope all children and youth and their friends will continue to come! Younger children are divided into three groups: preschool (ages 3 up), grades K-2, and grades 3-5. They participate in three activities: Bible stories, crafts, and games. Middle school and high school students have separate activities and Bible study time. Please join us!
